2013 – 2014 Dependent Verification Worksheet

Your 2013–2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

- 1. It is strongly recommended that you select the IRS Data Retrieval option on your FAFSA. This option will streamline and expedite your verification process. If you do not use the IRS Data Retrieval Tool to provide tax information, and CofC requests a copy of your and your parent's tax return, you will be required to obtain an official tax transcript from www.IRS.gov and clicking on "Order a Transcript" or by calling 1-800-908-9946. You may also pick up a copy of your IRS Tax Return Transcript from your local IRS office.
- 2. Complete and sign this worksheet you and your parent(s), if applicable.
- 3. Submit completed worksheet, and all documents to the CofC Financial Aid Office.
